

REMARKS/ARGUMENTS

The amendments above reflect corrections of minor errors noted in the specification and the allowed claims.

The amendments to the specification correct grammatical errors on the specification cover sheet and at paragraphs 19 and 86.

The amendments to the claims are as follows:

Claims 6 and 20 – makes terminology consistent with “trigger” in claim 1;

Claims 12, 13, 14, 18, 22, and 31 – insert “the” for grammar correction in second line;

Claim 15 – replace acronym “DSP” with “digital system procession” for consistency with base claim;

Claim 17 – insert “the” for grammar correction in second line; correct spelling of “resetting” in last line.

It is submitted that these amendments involve only formal matters and do not affect the scope of any claims.

It is believed no fees are due with this amendment, however, the Commissioner is hereby authorized to charge any fee associated with this amendment to our Deposit Account No. 04-1420.

This application now stands in allowable form. Acceptance and entry of the above amendments are respectfully requested.

Respectfully submitted,
